Why you should sponsor

Put Your Business in the Spotlight

Stand out among the attendees by prominently displaying your products and marketing material.

Hiring

The conference has a history of attracting smart folks from various backgrounds and also of making matches between them and potential employers. Get connected, make your pitch and find the best programmers to join your ranks!

Give Back to the Community

Establish your goodwill and show the community that you're a reliable partner, willing to support the ecosystem. Sponsorship is a way of giving back to the community and thanking them for their support. Your sponsorship helps Pyconf Hyderabad remain affordable and accessible to the widest possible audience

Low Cost Marketing

Instead of spending a fortune on traditional advertisements, take a look at our reasonably priced sponsorship slabs and pick one - letting you be discovered and known to the cream of the community at maybe half (or even less!) of your marketing budget.

Flexibility

Have something specific in mind? Please don't hesitate to ask! We are more than happy to work with you and tailor the sponsorship benefits to suit your needs.

Startup Discount

To make Pyconf Hyderabad affordable to small businesses and startups, we provide a 50% discount for Silver sponsorship slab.

Note: In order to avail this discount, your organization must have been established not more than three years ago, with fewer than 10 current employees
